

ColorMAX® AllySLEEPER™

Designed to work with our ColorMAX® Boundary Fencing manufactured from COLORBOND®

AllySLEEPER™ are 2365mm long plus, 3090mm long in a selection of colours.

The BlueScope® COLORBOND® Warranty is void if you use Timber Sleepers under your fence.

Made of powder coated extruded Aluminum, the AllySLEEPER™ will last a lifetime.

It can be used in walls or fences to compensate for uneven ground.

We have 9 standard colours available, other colours are available on order.
